

# HARSWELL INSECTS

9 AUGUST 2009

## **BUTTERFLIES**

Painted Lady  
Meadow Brown  
Small Tortoiseshell  
Small Copper  
Common Blue  
Wall  
Gatekeeper  
Large White  
Speckled Wood  
Green-veined White

Small White  
Brown Argus  
Peacock  
Red Admiral  
Small Skipper  
Purple Hairstreak  
Brimstone  
Holly Blue  
Comma

Hard to pick out the highlights! Estimated 1000 whites [mainly small] over a rape field. Painted Ladies in groups of 10 on knapweed. The almost "unbeatable" list of 19 species for an East Yorkshire 1km square, reflecting habitat combination of railtrail grassland and oak woodland. *A. Ashworth*

## **DRAGONFLIES**

Brown Hawker  
Southern Hawker  
Common Darter  
Common Blue Damselfly  
Blue-tailed Damselfly

## **BUMBLEBEES**

*Bombus lapidarius*  
*B. pascuorum*  
*B. hypnorum* [photo- a recent Yorkshire colonist from the South]  
[all thanks Bob Evison]
